Scope of Work

(1) Sweeping of Roads:

The entire geographical area of ward should remain always clean i.e. throughout the day. The solid wastes generated in the area are to be collected from various sources like: Biodegradable and non-degradable solid waste should be separately collected.

- a. Sweeping of the entire ward area both road and road sides.
- b. Lifting of garbage from all Municipal primary collection point.
- c. Lifting of garbage from market places including commercial/industrial institutional units.
- d. Lifting of dead animals and carcasses
- e. All Municipal drains including earthen drains should be clean and waste including silt deposition should be lifted out side.
- f. Commercial areas, Market areas and prominent roads are to be swept two times daily.
- g. Removal of dust and sand lying on the roads(if any)
- h. Daily sweeping & lifting garbage from public places like religious places, parks, crematorium, graveyard etc.
- i. Spreading of Mosquito oil in every ward.
- j. Grievance redressal in within 24 hrs.

(2) Cutting of Road side Bushes:

The bushes & shrubs from roadside berms & conservancy lanes are to be cleaned by the agency at regular interval of time.

(3) Cleaning of Drains & Transportation of solid waste:

The road side drains are also to be cleaned i.e. removal of polythene, paper, foreign materials and other floating materials to avoid chocking of the drains & the MSW generated by sweeping / cleaning of roads, public places etc to be collected & immediately transported to Wealth Center. No temporary/ Secondary storage is permitted.

All type of solid wastes separately collected from different places is to be transported to Wealth Center immediately. The vehicle used for transportation must be covered with green covered and will be unloaded systematically by the agency as per direction of the officer in-charge of the Municipality. The cost of transportation should include the cost of labourers for loading and unloading of solid waste in to the vehicles and the wages of the drivers/helpers attached to the vehicles. In no case solid wastes generated on a day shall be retained in the area for more than 06 hours.

(4) Service delivery performance Criteria:

The performance monitoring and evaluation of service delivery has been institutionalized through Service Level Benchmarking and the purpose and objective of the assignment should be improved and achieve the National Level Benchmark. Incase the agency fails to commence/ execute the work as stipulated in the agreement or performs on unsatisfactory or does not meet the statutory requirements of the contract, Executive Officer reserves the right to impose penalty or cancel the agreement.

PENALTY :

In case of agency fails to commence/ execute the work in the following areas, the ULB reserve the right to impose the penalty as detailed below:

Sl No	Penalty for the following Component	Penalty
1	If found not keeping photo ID	Rs.50/- per person per day
2	Worker not found in proper uniform & without PPE	Rs. 50/- per person per day
3	Indulging intoxication	Rs. 500/- substance above or any other misconduct during duty hour (The offence mentioned above will need to be established)
4	Non-removal of waste from collection point	Rs. 500/- per point
5	Non-performance regarding waste collection from commercial area or specified places	Rs. 5000/- per per day
6	Absence of worker	Daily wage per person per day
7	If any person is found performing duty by submitting a fake name, address	Rs.500 per person per day, in addition legal action shall be taken against the provider
8	Strike / mass-absence:	Rs.20,000/- and wages of all the sanitation worker of the same day.

General Terms and Conditions:

1. The Bidder is expected to examine all the instructions, terms and specifications in the bid document. Failure to furnish all information as per the bid document or submission of bid not substantially responsive to bid document in every respect will be at bidder's risk and result in rejection of bid.
2. The bidders are required to inspect and assess the entire geographical area and quote their rates inclusive of the labor charges conservancy material for sweeping, bush cutting, drain cleaning, including lifting of MSW and other miscellaneous expenditures as may be required are mentioned detail in scope of work. The cost of documentation like taking photograph whenever necessary will be borne by the agency as per direction of officer-in-charges.
3. The bidder must have appropriate resource, necessary expertise, requisite manpower and supervisory ability to undertake the work.
4. This bid is meant for carrying out of the work for a period of two (02) years which can extendable upto one more years after satisfactory completion and mutual discussion between the Authority and the service provider.
5. The conditional and incomplete bid is liable for rejection
6. Letter of authorization for representing the firm / entrepreneur /Agency and to sign the bid document should be enclosed along with the bid document.
7. Bids containing overwriting, additions, alterations, erasures, obliteration and other discrepancies should be properly attested all corrections made by them.
8. The bidders shall sign every page of the tender documents and submit all of them.
9. All the documents furnished by the bidders are subject to verification from the issuing authority. In case any manipulation is found, the EMD will be forfeited. It is advised to attend bid opening with original documents for verification, if required.
10. The Agency/Organization shall not be allowed to transfer, assign, pledge or sub-contract its right and liabilities under this agreement to any other agency or organization.
11. The Agency/Organization shall nominate a coordinator who shall be responsible for immediate interaction with the office so that optimal service could be availed without any disruption.
12. For all intents and purposes the agency shall be the employer within the meaning of different rules and act in respect of work assigned. The person deployed in this work by the agency shall not claim what so ever like employer and employee's relationship.
13. The agency/organization shall be solely responsible for re-dressal of grievance.
14. The agency is responsible for collection & transportation of garbage separately. The dry solid waste shall not be burnt by the agency or Dumping collected garbage at unspecified point will attract penalty of Rs.500/- per cum per day.

15. Required bleaching power, phenyl, mosquito oil will be provided by Brajrajnagar Municipality. Other required materials/ tool/ machineries are to be provided by successful bidder. No extra cost for it will be paid.
16. The Agency/Organization will provide uniform and safety articles for their deployed staff at their own cost.
17. Since this is a Sanitation work no GST is payable.
18. Daily Biometric attendance of all workers is compulsory. Digitally generated attendance sheet to be submitted with bill, failing which no bill will be released.
19. After completion of each month the total bill in duplicate will be submitted by the agency to the Authority by 1st week of the next month with update ESI & EPF Payment Documents.
20. Payment is subject to availability of allotment and availability of fund in Municipal fund however payment will not be delayed more than three months in any cost. In this scenario of delayed payment, contractor is responsible for payment to its workers in the 1st week of every month.
21. Whenever the Labour Department, Govt. of Odisha will enhance the rate of minimum wages then the Authority shall pay the enhance amount to the agency /Organization from the day effect after confirmation from H & UD Deptt.
22. Whenever there is requirement of additional manpower then the Authority issue order for supplying excess number of manpower to meet the requirement of the municipality & the extra amount will be reimbursed to the agency on production of Bill.
23. In case of any dispute arising out of the contract the matter shall be decided either mutual understanding between the two or as per the law inside the jurisdiction of Jharsuguda.
24. The successful bidder must have to deposit Security (SD) of Rs.10.00 Lakh (Rupees Ten Lakh) for each zone in shape of demand Draft in favour of the Executive Officer, Brajrajnagar Municipality, refundable only after completion of work without any interest.
25. The successful bidder cannot stop the sanitation work/raise any agitation/strike at any cost during the contract period if payment not release due to non-receipt of funds or any other reason .If the agency violets this condition the agency will be blacklisted and the EMD,APS, ISD and other dues kept with ULB for payment in favour of the sanitation agency will be forfeited along with the penalty as decided by the authority will be imposed against the agency. In this connection an affidavit shall be produced by the agency at the time of Participating of tender.
26. The performance of the successful sanitation agency will be evaluated quarterly by a team selected by the Executive Officer. If the agency's performance is rated as below average then action as deemed proper will be initiated against the agency for cancellation of agreement.
27. Public feedback will be invited regularly on sanitation work & the agency will comply the adverse view within 24 hours.

28. The agency shall not engage any disable, old age and minor age, medically unfit sanitation staff during the contract period under no circumstances. The staff should do their duty according to the rule of labour & ESI Department.
29. The agency shall not engage less/excess labour without any prior approval of Executive Officer. The Sanitation staff will clean the Municipality area in two shifts by dividing the duty hour.
30. The agency will provide all vehicles for sweeping and transportation of waste to the designated places and arrange substitute vehicle immediately in case of failure of any vehicles and repair all vehicles at his own cost.
31. The agency's vehicle should have commercial license & not more than five years. All vehicles provided must be GPS enabled, failing which Rs.500/- per day per vehicle will be deducted from bill.
32. The agency shall not sublet the sanitation contract to anybody.
33. The agency will bear the cost of fuel and driver remuneration.
34. If L (1) bidder does not turn up for agreement after finalization of the tender, then he shall be debarred from participation in bidder for three year and action will be taken to blacklist the contractor.
35. The contractor will make at his own cost housing accommodation for and medical aid to the labours engaged for the work. The safety of labours at risk is at the risk of executant contractor fully and municipality will not be responsible for the same. Further The contractor will supply soap, umbrella, rainy coat etc. to all their labours in their own cost.
36. The cleaning of road will be done twice a day (Market or commercial including Bus stand and public places) area from 6.00A.M to 11.00 A.M and second half 5.00P.M to 8.00P.M.
37. Disinfectant such as bleaching powder, mosquito oil, malarial oil will be speeded as per the directions of office in charge.
38. During any Local festivals, National day celebration, any VIP programme, special cleaning work, any place as per direction of officer-in-charge has to be undertaken without any additional claim. religious places, parks, crematorium, graveyard, Ghats to be cleaned everyday and spreading of bleaching and lime shall be made by contractor.
39. As per instruction of Govt./ Municipal authority, special drive cleaning of drain and road, grass uprooting shall be done by contractor and no claim of extra bill is to be given by ULB.
40. It is mandatory for the contractor to operate fogging machine in each ward atleast once a week and no claim of extra bill is to be given by ULB.

Evaluation of Bid :

The qualified bids will be evaluated as per QCBS approach. Bidders among qualified ones who secure above 70% marks from the total (100 marks) in the technical proposal will be called for financial evaluation. The formula for determining the financial score is the following.

The weightage of financial proposal (SF) shall be arrived as indicated below:

$$SF = 100 * FM / F,$$

In which in SF is the financial score, FM is the lowest price and F price of the proposal under consideration.

The weights to be given to the technical and financial proposals are $T = 0.80$, $P = 0.20$. Bidder obtaining highest mark will be selected.

Financial proposal of technically qualified bidders shall be opened after the technical evaluation. Final selection will be based on QCBS method as explained above.

In case more than one bidders securing same marks, final selection will be based on open lottery system.

Quoting abnormally low rate/high rate, tender will be rejected since the tentative rate estimation has been indicated by Brajarajnagar Municipality taking various factors into account.

NOTE: Bids of zone-1 will be evaluated at first. The bidder selected in Zone-1 will not be considered for financial evaluation for zone -2. However, if only one bidder qualified for Zone-2, then only bid of selected bidder (Zone-1) will be considered for evaluation.

Technical Proposals

Evaluation of proposals shall be made by the Municipal authority. In the first stage, the Technical Proposal will be evaluated on the basis of bidder's fulfillment of eligibility criteria. Only those bidders whose Technical Proposals becomes responsive based on the eligibility criteria, shall qualify for further detail technical evaluation and awards of marks based on the following Criteria:
